YOUR RESPONSIBILITY

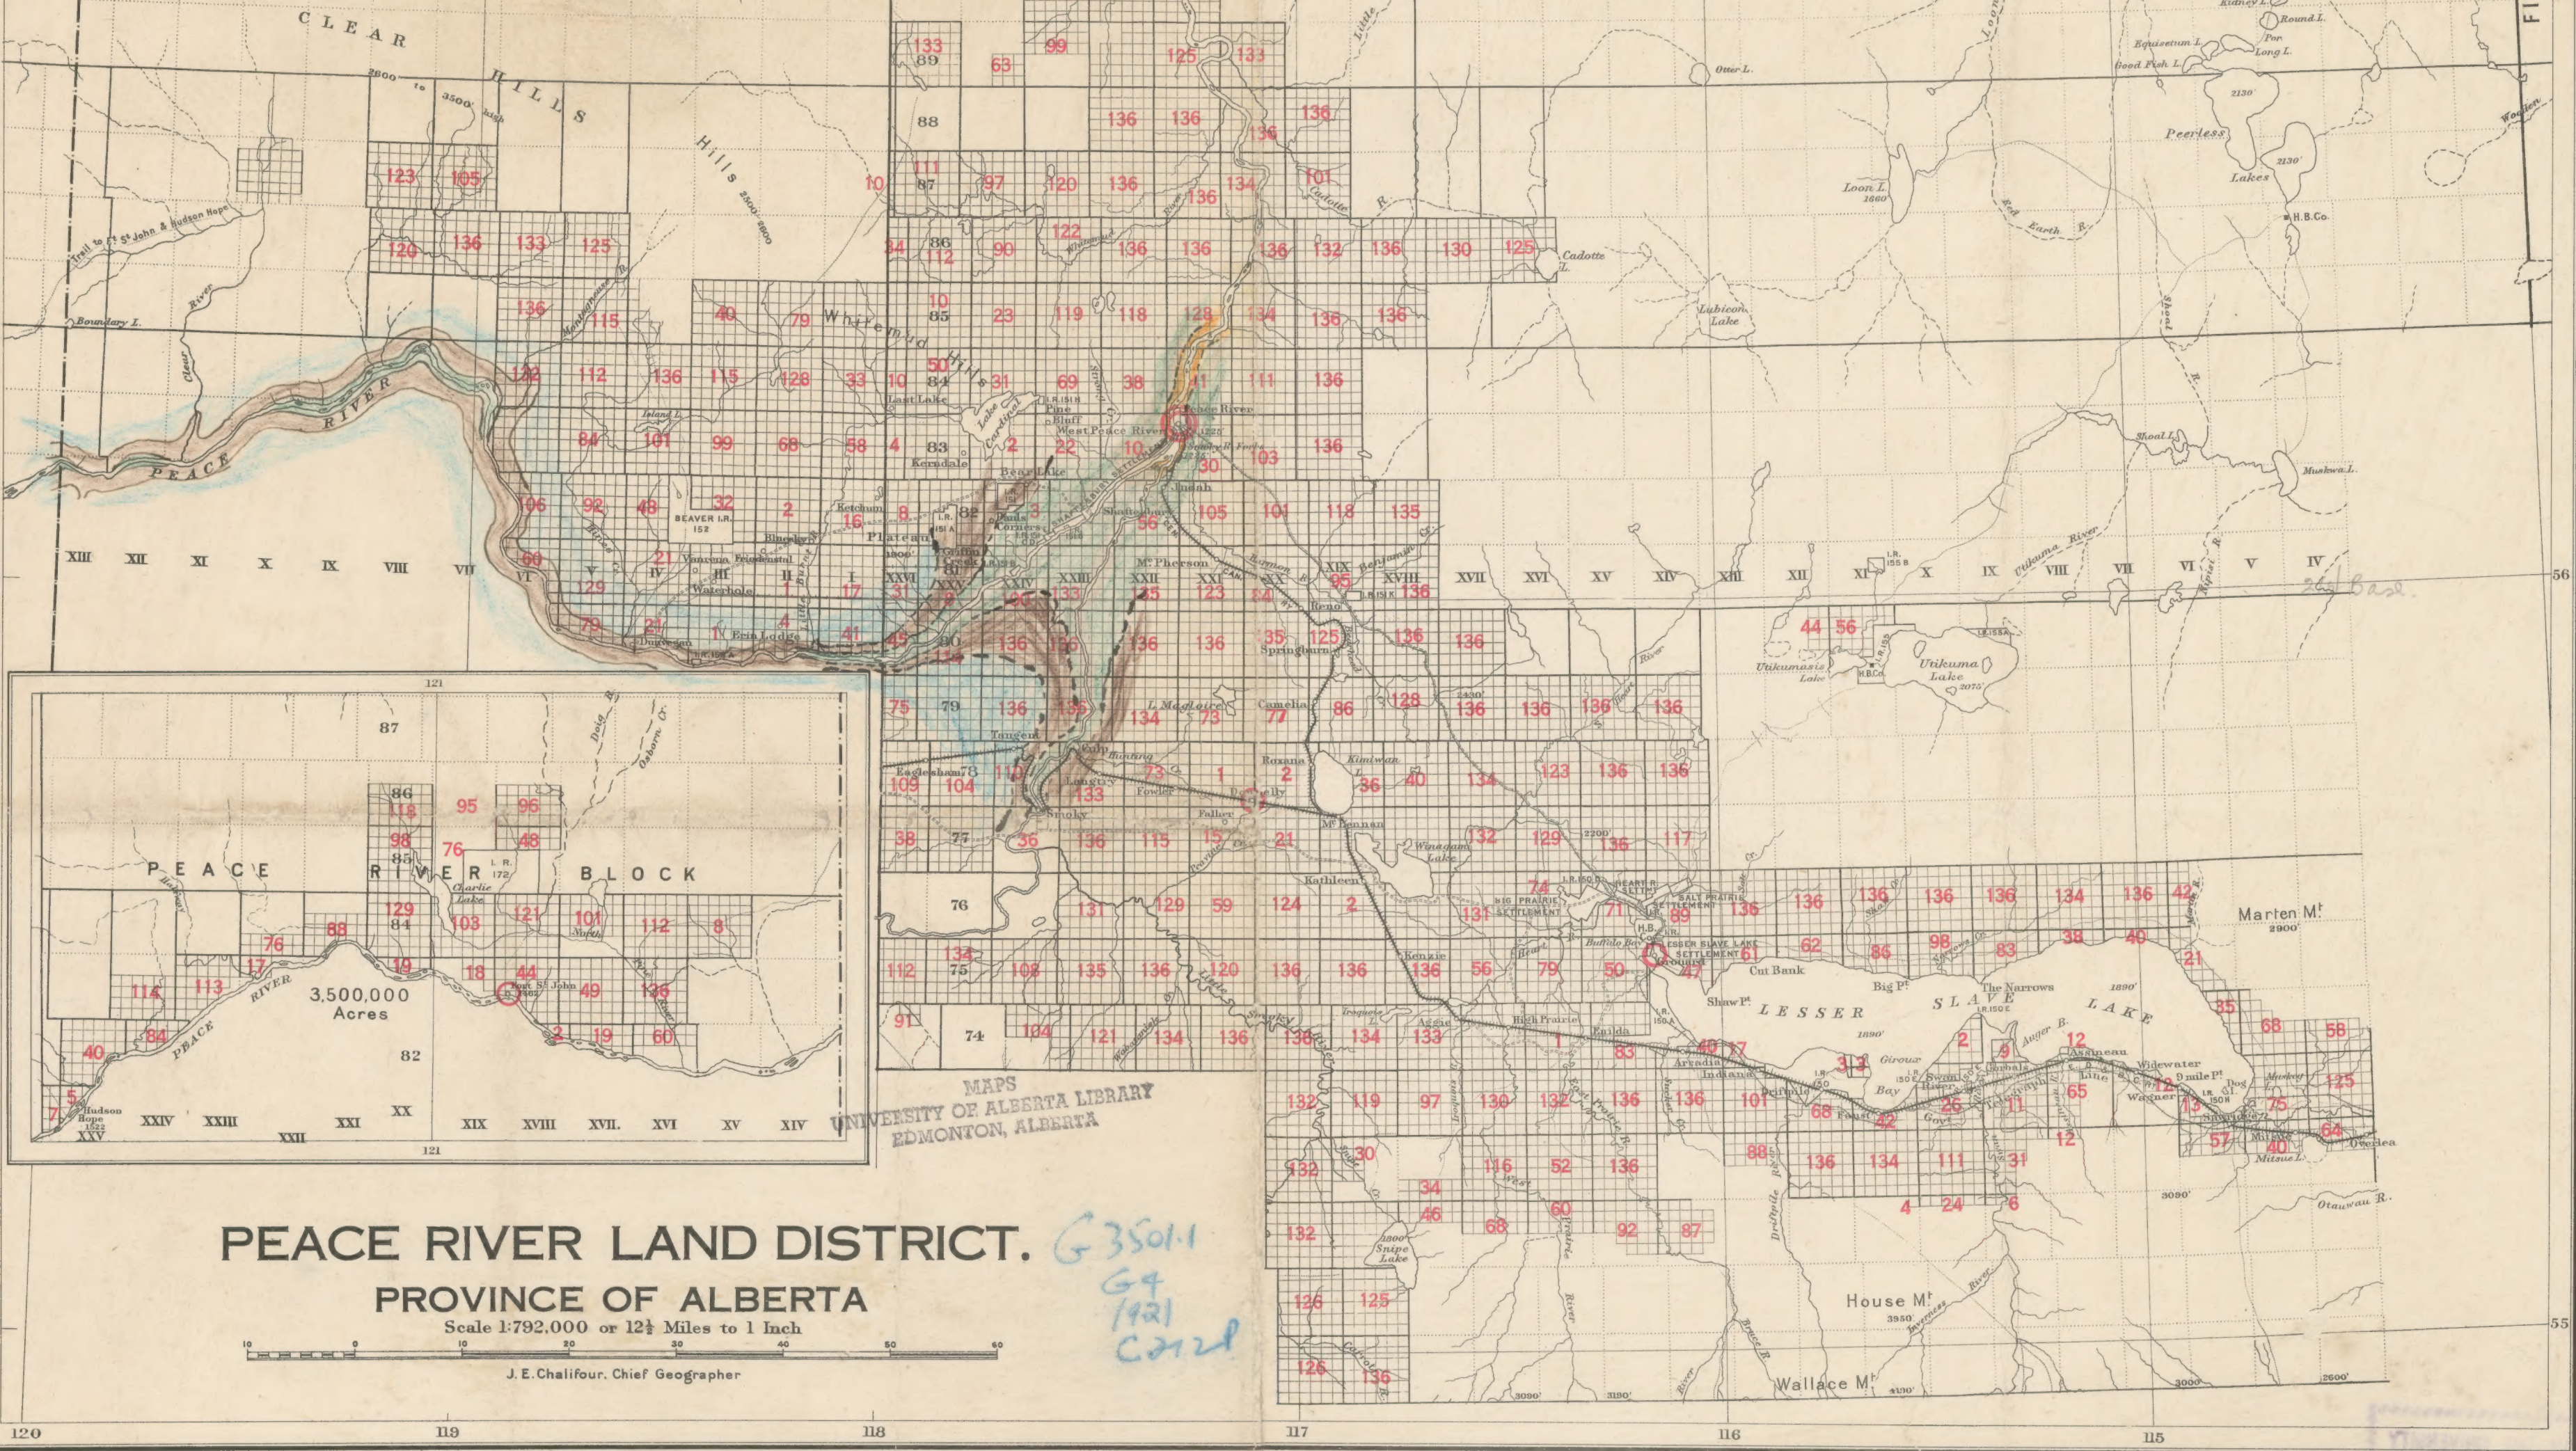

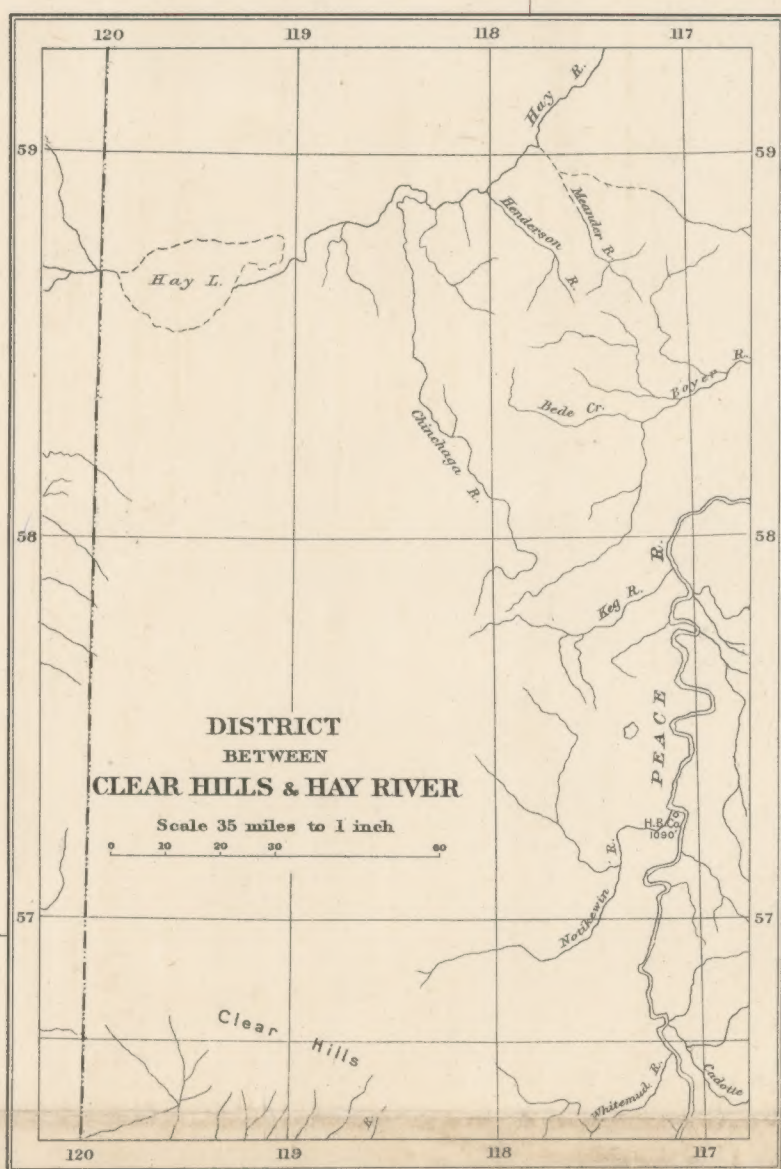

Every year Canada loses millions of dollars by forest fires, for which you have to pay in increased taxes and higher prices.

DOMINION LANDS ACT, 1908

All unoccupied surveyed agricultural lands, whether odd-numbered or even-numbered sections, that are not reserved or that have not been disposed of are open to entry for Homestead.

A FEW GOOD RULES TO HELP

1. Do not throw away burning matches or tobacco.
2. Do not make a camp fire in leaves, rotten wood or against logs where it may spread, or you cannot be sure it is out.
3. Never leave a fire until it is OUT.
4. Do not burn slashings in the dry season without a permit and without taking care to keep the fire from getting away.
5. Put out any fire you find if you can. If you cannot, notify a fire warden, some other public officer, or the land owner.
